EXPERIENCE

Dec 2020 - Current

Web & PWA Development, *HTML | CSS | JavaScript | WordPress*

Built responsive, SEO-friendly websites for clients such as Maral Setareh, Shik Pooshan, Kimia Sport, Me-Too, and Gilan Tire. Delivered modern interfaces, optimized performance, and cross-platform compatibility to enhance user engagement.

Mar 2020 - Current

Desktop-App Development, *Python*

Developed desktop applications for projects like Toolbox, Epic Assistant, and Hooshify. Focused on high performance, clean UI, and practical solutions that improved usability and workflow efficiency.

Oct 2022 - Current

Bot Development, *Python | JavaScript*

Created advanced automation bots for projects including Alpha-Bot, Delta-Bot, and BERMUDA. Specialized in Telegram and Discord bots, delivering seamless interaction, innovative features, and scalable automation systems.

Feb 2022 - Current

Graphic & UI/UX Design, *Photoshop | Illustrator | Figma*

Designed logos, posters, banners, trophies, plaques, and mobile app interfaces. Produced user-centered, visually compelling graphics aligned with brand identity, using tools like Photoshop, Illustrator, and Figma.

EDUCATION

SEP 2019 – JUL 2025

SHAHID BEHESHTI HIGH SCHOOL

STUDIED AT SHAHID BEHESHTI HIGH SCHOOL (SAMPAD) FOR BOTH MIDDLE AND HIGH SCHOOL PERIODS.
